

2015 WINTER SPORTS PLAYER EVALUATIONS / UNIFORM SIZING

WHAT ARE PLAYER EVALUATIONS?

These evaluations are used to help the Salem Sports Office evenly distribute players amongst all teams in the league. In a fun and relaxed atmosphere, participants will be put through a variety of skill/athletic drills relating to that particular sport. Evaluations are managed by the Sports Office staff and individual results are not made public. Depending on the number of participants, evaluations generally last around 45 minutes.

WHAT TO WEAR / BRING

Players should come dressed in appropriate sports attire (shorts, t-shirt and athletic shoes). There is no need to bring a ball to any of the evaluations. Water or sport drinks are optional, but will not be allowed in the gyms.

WHAT IF I MISS EVALUATIONS? HOW WILL MY CHILD BE SIZED FOR THEIR UNIFORM?

We encourage every participant that's registered to try their best to attend the evaluations as we use this time to assess ability levels in addition to sizing for uniforms. If a participant is not present for the evaluations and his/her ability level can't be confirmed by a Parks and Recreation Staff member prior to the draft – that child's name will be placed in a hat and randomly assigned to a team once all other registered participants have been selected. Participants that miss evaluations can stop by the Sports Office to be sized for their uniform prior to the order being placed. Please remember that if you are not sized for a uniform we will order what was selected when completing the online registration form and it will be the responsibility of each participant to pay for any replacement items.

WHAT HAPPENS AFTER THE EVALUATION?

Typically team drafts are scheduled within a few days after the evaluations. Once coaches have selected their teams they will notify each player with specific practice time information.
